

Accountant / Controller

Challenges

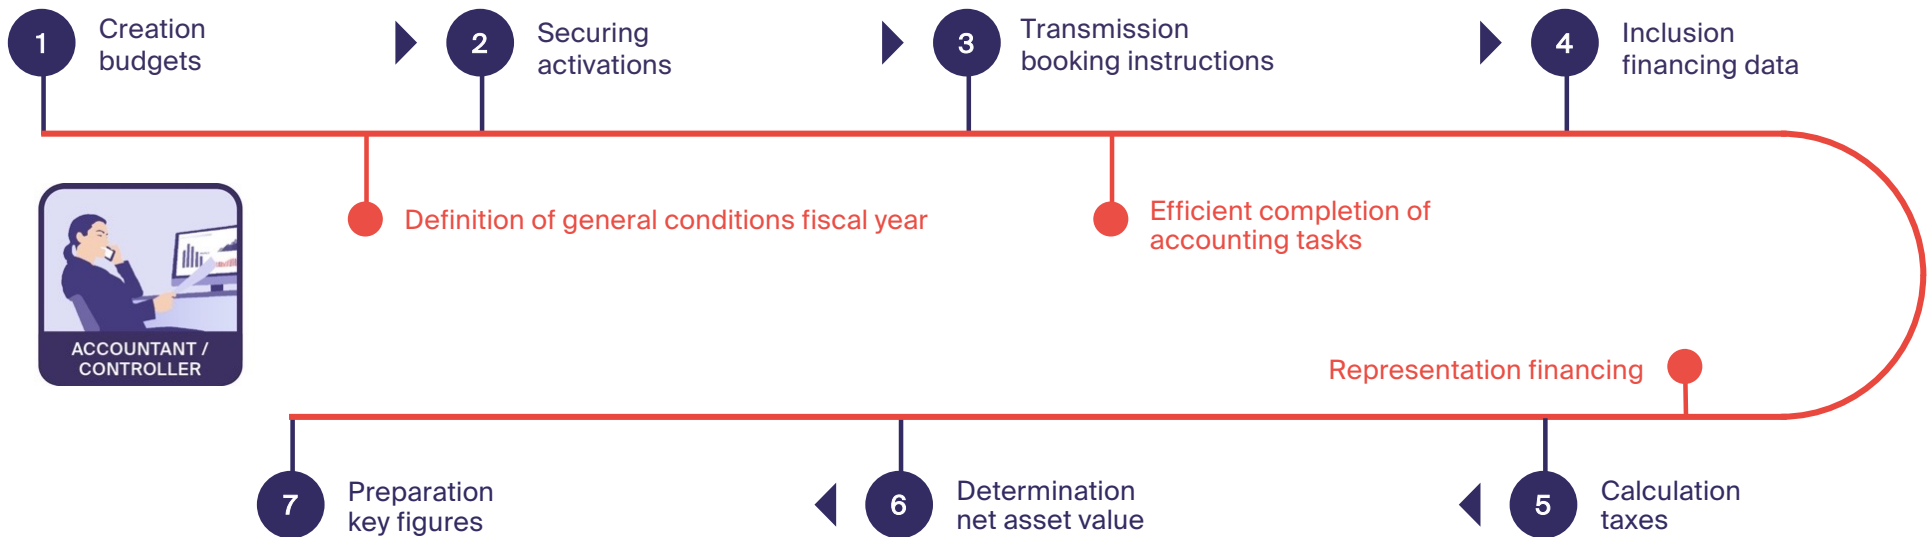

- Complexity of budgeting: merging all data from internal and external sources (bottom-up data of all assets, top-down data for portfolio)
- Controlling: Identification of deviations and initiation of appropriate measures
- Comprehensive reporting: timely, reliable financial reporting and reporting on the real estate portfolio including standard key figures

Solutions

- Integrated financial and real estate reporting with stable, flexible and automated data interfaces
- Comprehensive reporting functionalities with automated calculation of standard key figures

Preparation of integrated financial reports
