

## Portfolio Manager

### Challenges

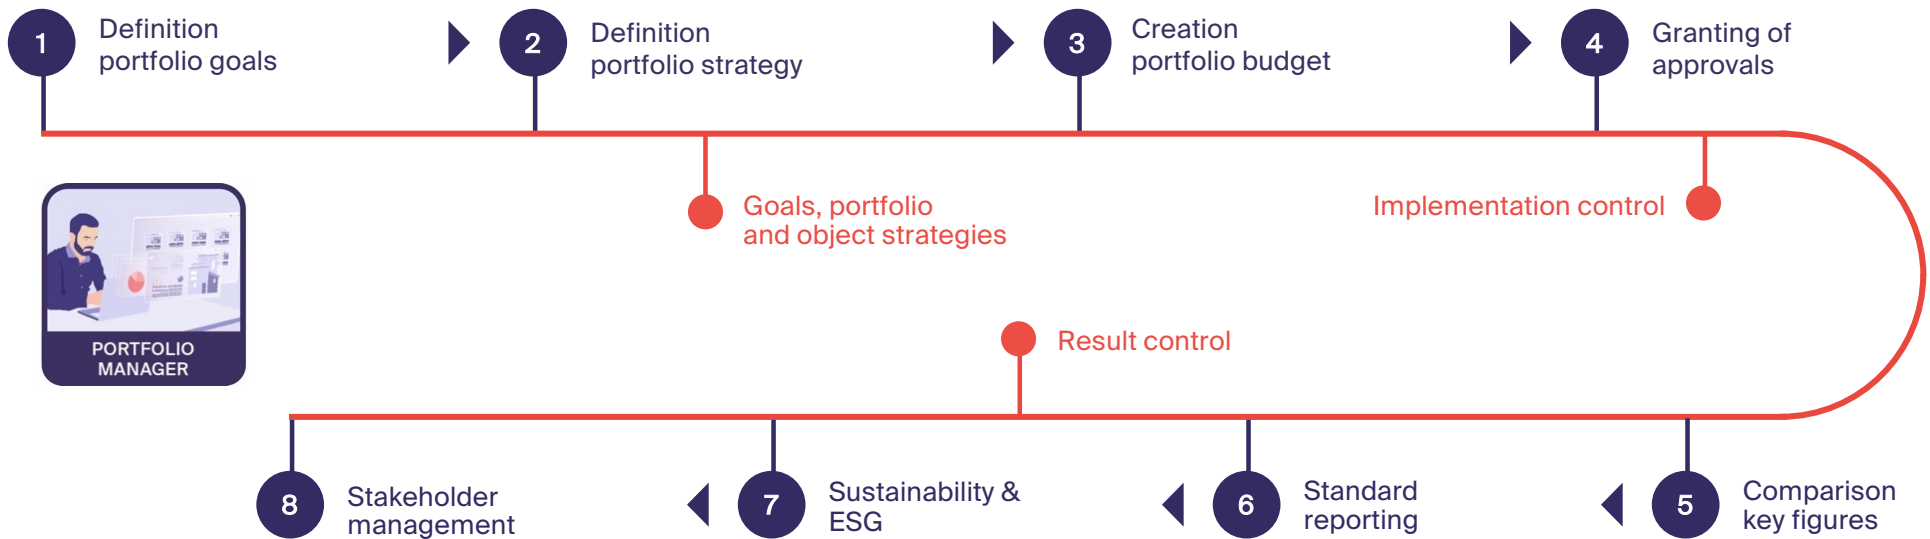

- Ensuring the achievement of portfolio objectives: Competitive positioning of the investment vehicle vis-à-vis investors
- Operational management of the real estate portfolio: coordination of all stakeholders (internal and external roles) in accordance with portfolio strategy
- Appropriate reporting for all stakeholders: Financial reporting and operational real estate reporting (comprehensive, up to date, correct in content and appropriate).

### Solutions

- Market data and benchmarking at asset and portfolio level
- Full integration of all data and functions, no related effort, easy coordination and direct data exchange
- Professional, efficient reporting with modern technologies
